Mayor Parker,
Due to the recent severe weather and the numerous water rescues that had to be done by our fire department and others in Baldwin County and the possibility if more severe weather this weekend, I would like to request that the Town of Perdido Beach donate some of the surplus rope on hand to the fire department. If possible we would like to get at least 500 feet or more. This will allow the fire department to be better prepared in the event that more rescues must be performed during this next severe weather event.

Thank you,
Ken Wright
Fire Chief
PBVFD
