### Budget and Finance Report Town Council Meeting October 11, 2018

- The Committee did not meet in October. I and the Town Clerk reviewed the Budget versus year end numbers and this is a report of that year end review. Budgeted income for the year was \$140,377 and the actual income was \$158,188. This is a \$18,511 surplus to the Budget. Budgeted expenses minus paving were \$136,239 and actual expenses minus paving were \$129,454. Expenses were \$6785 under budget which included 3 large unbudgeted expenses: Property taxes \$2837.76, Permit application \$2500, Speed sign \$3315. Surplus income was due primarily to a good economy. Higher than expected Vehicle Ad valorem taxes, higher sales taxes, Lodging tax, Simplesell tax, and higher than expected Business license revenue. Under budget expenses were primarily due to unspent money in Public works, but also due to the prudent use of Town funds.
  - The General Fund had \$205,181.34 in it as of 09/30/2018. This number is like your checking account and varies daily. It does not reflect the Franchise fees (\$51,136.53) received the end of September.
  - The special BP account has \$118,614.03 left in it which represents the money remaining to be spent on the State Street project. The special BP checking account has \$26,135.39 remaining in it as of 9/30/18. Of this money \$14,130.36 is committed to remodeling of the storage building.
  - The committee finished work on next year's budget and you have a copy to review and approve tonight.

Respectfully Submitted,

Steve Love
