The Solid Waste Department will collect **White Goods, Bulky Waste** and **Yard Waste** from residential customers on a **call for service basis**. **This service is provided from residential use of the property but does not include items generated from a business.** Your residential garbage account must be current to take advantage of these services at no charge. If your account is past due or you have no account then you may still dispose of these items by bringing them to the landfill and paying the normal scale fees.

**PLEASE CALL BALDWIN COUNTY SOLID WASTE TO SCHEDULE A PICK UP WHEN YOU PLACE TRASH ON THE RIGHTS OF WAY.**

**PLEASE CALL: (251) 972-6878**

### Town of Perdido Beach Committee Reports for May 2018

#### Ad Hoc (2) – Alabama Bicentennial Celebration No Report Provided

#### Beautification

Beautification Committee discussed landscaping around the new building.. Would like suggestions & ideas. Also, we are looking for new members if anyone is interested.

#### Budget and Finance

The Budget and Finance Committee met May 8, 2018 at 4:30 pm. The committee continues to monitor the various financial reports to ensure expenditures are in line with budget and income. The year to date numbers show income and expenses in line with the budget. We will begin preliminary work on next year's budget in June.

### **Building and Grounds**

The building and grounds met in April and discussed the status of our community center. It will be open in May.

We talked about the need for chairs for meetings in the center and this will be discussed at the council workshop.

### **Communication**

The communications committee met on 04/24/18

The committee discussed the 811 digging call, Discussed attempting a monthly ENews, talked about a "Welcome Packet" for new members to the community and the communications plan review was deferred until our next meeting.

The communications committee is in need of a new member, a secretary and a welcome packet coordinator. If interested, use the volunteer for on the town website.

## **Are You Hurricane Ready?**

On the Gulf Coast, we understand all too well the devastating effects hurricanes can have on our communities. Hopefully we never need to utilize our safety plans, it proves true that knowing what to do in the event of a hurricane can save lives and make the evacuation process much smoother.

As part of Hurricane Preparedness Week, the National Weather Service (NWS) has provided [a list of important safety tips and resources](#) this hurricane season, including:

- Put Together an Emergency Kit: Include food supplies and any necessary medications. Check emergency equipment, such as flashlights, generators and storm shutters;
- Write/review your Family Emergency Plan: Before an emergency happens, sit down with your family or close friends and decide how you will get in contact with each other, where you will go, and what you will do in an emergency;
  - Review Your Insurance Policies: Review your insurance policies to ensure that you have adequate coverage for your home and personal property; and
- Understand NWS forecast products: Know the difference between watches and warnings and identify reliable sources to receive weather information.

Hurricane season typically occurs from June 1 to November 30 each year. As we approach the summer months, Alabamians are urged to take advantage of Hurricane Preparedness Week and prepare now instead of waiting until a storm is approaching.
