These jobs are temporary and can last from a few weeks to several months, depending on the specific job. Most jobs have flexible hours (mornings, afternoons, evenings, weekends, all day) and all employees are paid weekly in the \$14.50 - \$16 an hour range. We try to keep each employee as close as possible to their own community since people tend to work better in a familiar environment. Applicants must be at least 18 years old and have a social security number. Anyone interested in these jobs can simply go online and apply at www.2020census.gov/jobs.
