Staff Report Prepared by:

Presented by:

Steve Love-Mayor Pro Tempore

BACKGROUND:

In accordance with the Town of Perdido Beach Land Use and Zoning Ordinance, at the March 15, 2018 council meeting the Town Council voted unanimously to recommend the Planning Commission hold a public hearing to allow for input on proposed text amendments to the Town of Perdido Beach Land Use and Zoning Ordinance as they pertain to the following articles:

Article VI, Section 6.1.5

Change minimum lot size from 3 acres to 1 acre.

Article XIX, Section 19A.11.1.

Amend the time requirement for rezoning from one year to 6 months.

Article XXIII, Sections 23.2 Permitted Uses.

In the table of permitted uses under "OR" - Outdoor Recreation Park, playground, public park, public pier boat launch and other, change use from "C" conditional use to "P" permitted use.

The purpose of the proposed changes is to clarify some definitions and correct some discrepancies in the Zoning Ordinance.

Staff Analysis and Findings:

The following factors for reviewing amendments are found in Section 19A.3 of the *Town of Perdido Beach Land Use and Zoning Ordinance*.

- (a) Is the requested change compatible with the existing development pattern and the zoning of nearby properties?

Yes, all but one "OR" (Outdoor Recreation) designated property in Town does not meet the "OR" size requirements. The proposed requests are for clarification and correction of some discrepancies between the definitions and table of permitted uses. The requests at hand are not tied to a specific piece of property.

- (b) Has there been a change in the conditions upon which the original zoning designation was based? Have land uses or conditions in the near vicinity affected by the proposed action changed since the zoning was established or last amended?

"No", explained in (a).

- (c) Does the proposed zoning improve conformity of land use to the Town's Master Plan?

Not applicable. This is not a rezoning

- (d) Will the proposed change conflict with existing or planned public improvements?

Not applicable.

- (e) Will the proposed change adversely affect traffic patterns or congestion?

Not applicable.

- (f) Is the proposed amendment consistent with the development patterns in the area and appropriate for orderly development of the community? The cost of land or other economic considerations pertaining to the applicant shall not be a consideration in reviewing the request.

Not applicable.

- (g) Is the proposed amendment the logical expansion of adjacent zoning districts?

Not applicable.

- (h) Is the timing of the request appropriate given the development trends in the area?

Not applicable.

- (i) Will the proposed change adversely impact the environmental conditions of the vicinity or the desirable historic resources or nature of the Town?

Not applicable.

- (j) Will the proposed change adversely affect the health, safety or welfare of the Town?

Not applicable.

- (k) Other matters which may be appropriate.

Staff recommends that the *proposed text amendments to Article VI, Section 6.1.5, Article XIX, Section 19A.11.1, and Article XXIII, Sections 23.2 Permitted Uses* be recommended for **Approval**. * The Planning Commission will be making a recommendation to the Town Council regarding the proposed text amendments to the Land Use and Zoning Ordinance.

Hello Lynn,

I will not be able to attend the planning com. meeting on April 4, 2018.

I am against the public boat launch on State St. at Soldiers Creek for all of the reasons that have already been expressed.

Please pass on my opinion to the appropriate members of the commission.

I would be in favor of the boat launch, park etc. if it could somehow be public only to those who reside in the Town of Perdido Beach.

Thank you
