

Town of Perdido Beach

RESOLUTION 2020-17 APPROVING FUNDS TO PERFORM NON-BID WORK FOR DEISGN AND CONSTRUCTION OF A BOARDWALK OVER THE EXISTING RIP RAP AT THE ESCAMBIA AVENUE WATER ACCESS STREET THAT ABUTS PERDIDO BAY.

WHEREAS, Section 11-43-56, Code of Alabama 1975, states: **Management and control of finances and property of municipality.** Except as otherwise provided, the council shall have the management and control of the finances and all the property, real and personal, belonging to the city or town; and

WHEREAS, Section 11-47-5, Code of Alabama 1975, states: **Execution of contracts.** Contracts entered into by a municipality shall be in writing, signed and executed in the name of the city or town by the officers authorized to make the same and by the party contracting. In cases not otherwise directed by law or ordinance, such contracts shall be entered into and executed by the mayor in the name of the city or town and all obligations for the payment of money by the municipality, except for bonds and interest coupons, shall be attested by the clerk. This section shall not be construed to cover purchases for the ordinary needs of the municipality.

WHEREAS, Mayor Hamilton received an estimate from What's Up Dock to construct a walkover, including all material, installation equipment and labor; and

THEREFORE, BE IT RESOLVED that the Town Council does hereby approve funds to be paid from the Town's general fund account to perform non-bid work for the Town, specifically to enter into agreement with What's Up Dock, to construct a walkover over the existing rip rap at the Escambia Avenue Water Access Street, for a total cost of no more than \$4860.00 Any contracts associated with this approval shall be in writing, signed and executed by the Mayor in the name of the Town of Perdido Beach and all obligations for payment of compensation shall be attested by the clerk.

APPROVED this 20th Day of August, 2020 by the Town Council in special session assembled and under the Seal of the Town of Perdido Beach, Alabama.

Kae Hamilton, Mayor

Ms. Hamilton,

Per your request, I am submitting the following estimate for your consideration and authorization. It is understood that the final project is subject to owner alteration from this plan. The total cost includes all material, installation, equipment, and permits unless stated otherwise.

SCOPE OF WORK REQUESTED

We will be constructing a 5'x12' boardwalk over existing rip rap. There will be 2 steps onto the boardwalk on the land side and 8 steps to get down to the beach. The bottom two steps will have Thru-flo decking for treads. The boardwalk will also have picket handrail down both side. This will be constructed using 6" pilings embedded in the ground 8' with 2x8 ledgers bolted to pilings, 2x6 joists and 2x6 deck boards. The handrail will be constructed using 2x6's with 2x2 pickets and a 1x10 composite top cap to not get splinters.

TERMS & CONDITIONS

Reasonable care to your lawn and property will be used during the entire project. However, some damage should be expected and if requested a repair quotation will be made after the completion of the project. We are not responsible for damage to concrete or asphalt driveways, undisclosed satellite, cable, or TV antenna wires, water or drain lines, septic tank, or drain fields. All materials and equipment brought or delivered to the job site are the property of What's Up Docks and will be removed upon completion of the project.

Electrical, plumbing, and engineering fees, if needed, are not included in this quotation, unless specifically noted.

Owner is solely responsible for determining the effectiveness, suitability, and safety of any particular use of application of this project. What's Up Docks does not warrant any component used in any particular application. Specific warranties may be provided by the manufacturers of specific components. Failure, damage, or malfunction resulting from misuse, abuse, negligence, alteration, accident, excessive loads, normal wear and tear, modifications of product, lack of proper maintenance, impact of foreign objects, tornado, hurricane, tropical storm, flood, storm surge, fire, or acts of God shall not be considered as resulting from defects in material or workmanship.

Worker's Compensation and General Liability Certificates of Insurance are available upon request.

By signing below, you are indicating you agree to the included terms and conditions of the project. This quotation is based on current material cost and is valid for 7 days.

Thank you for allowing us to bid on your project. Thank you for your business.
