

Greetings fellow townsfolk from your Alabama Bicentennial Celebration Committee!

2019 marks the third and final year of a celebration of the bicentennial of Alabama. The theme for this year is Sharing our Stories. Much is planned for this year. For information on statewide events visit www.alabama200.org. Don't forget to check the schedule of the traveling exhibit and its locations throughout the state. Currently the exhibit is at the Robertsdale Coliseum December 3-21, 2018.

We are on track to bury our time capsule on June 8th, 2019 and we still want suggestions from our residents and property owners for items to place inside the capsule. To this end we have extended our request for your input through March of 2019. We have also decided to continue to take ideas for a town motto until then as well. Please, submit your suggested motto to **topbmotto@gmail.com**, and your ideas for our time capsule to **topbtimecapsule@gmail.com**.
