---

TOWN OF PERDIDO BEACH  
9212 County Rd 97  
Perdido Beach, Al. 36530

---

### NOTICE

---

#### BULKY WASTE PICKUP GUIDELINES

BULKY WASTE PICKUP ITEMS AND YARD DEBRIS FROM RESIDENTIAL UNITS ARE ON A

### “CALL FOR SERVICE” BASIS

---

#### TO SCHEDULE A PICKUP CALL (251) 972-6878

##### Bulky Waste Pick Up Guidelines

##### SOME DEFINITIONS AND RULES:

**Bulky Waste** – means furniture, small appliances, mattresses, carpet/linoleum (rolled or bundled), pool liners, toys, auto tires, and light construction (from home self-repairs). Construction items consisting primarily of glass cannot be picked up curbside.

- a. Limit of four (4) tires per pickup (no larger than 20" in diameter).
- b. Construction and Demolition Waste generated by a contractor is not eligible.

**White Goods** – means refrigerators, ranges, water heaters, air conditioners, console televisions, exercise equipment, toilets, swing sets \* and other large appliances.

\*Swing sets taken down and broken apart are acceptable.

**Yard Waste** – means material resulting from landscape maintenance, including but not limited to, grass clippings, leaves, mulch and twigs, etc.

- a. Grass clippings, mulch and leaves should be bagged.
- b. Tree trunks or limbs over six (6) inches in diameter and over six (6) feet long are not considered yard waste. Smaller twigs and branches should be bundled, secured or piled together for manageable pickup by knuckle boom truck with grapple/claw.
- c. Tree Service and Lawn Maintenance vegetation generated by a contractor is not eligible.

\*Customers can have one (1) Bulky Waste, White Goods, Light Construction and/or Yard Debris pickup per month - *Limit of four (4) cubic yards (not to exceed eight (8) cubic yards) per pickup.*

A cubic yard means a volume the same as a cube that is one yard on each edge. In other words, it is 3 feet wide by 3 feet deep by 3 feet high. Some common approximations of cubic yard measurements:

One standard stove = 1 cubic yard

Two standard refrigerators = 4 cubic yards

The bed of a regular size pick-up truck filled to the top of the cab = 4.5 cubic yards

Do not place items under power lines or within four (4) feet of any other object (mailboxes, fire hydrants, fences, trees etc.). Items/Material must be placed neatly in separate piles on the right of way as different trucks may be utilized in the pickup process.

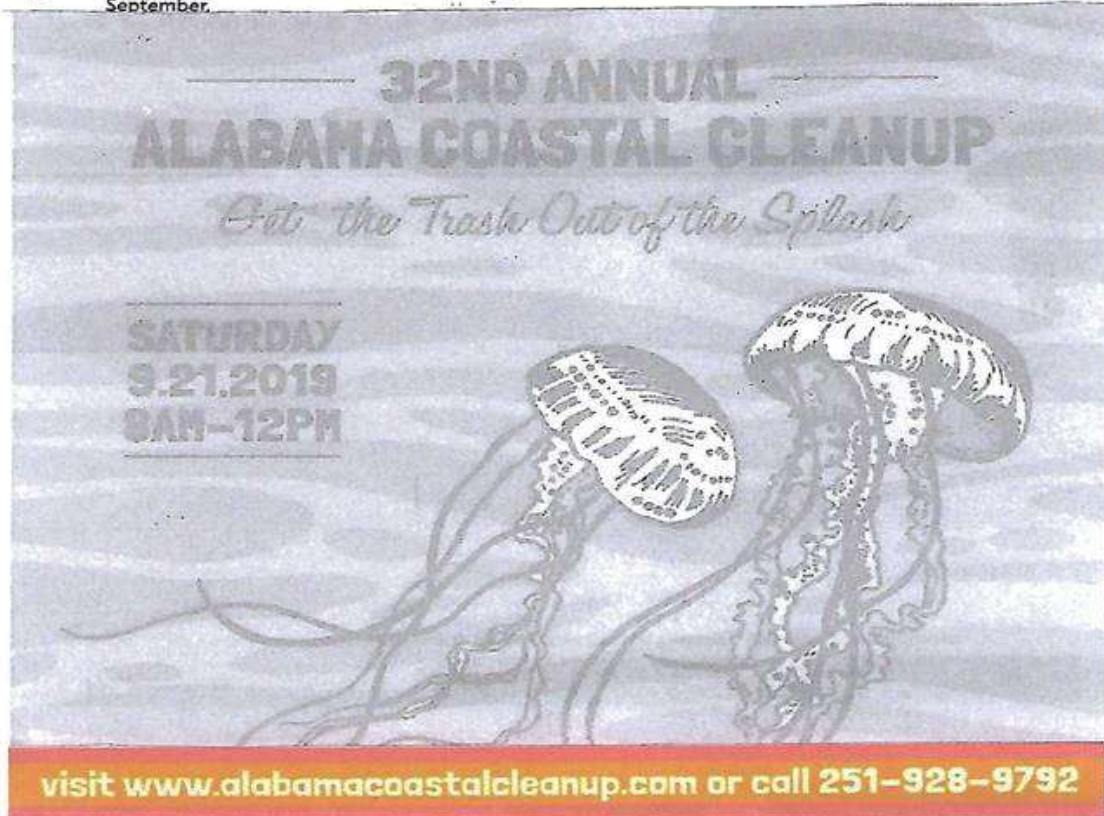

# 32nd Annual Alabama Coastal Cleanup

Sep 21st 2019

8am-12pm

PERDIDO BEACH-YUPON STREET

The 2019 Alabama Coastal Cleanup is the 32nd year of the State's largest annual volunteer event. Involved citizens, school groups, businesses and clubs walk or boat in 28 different zones throughout Mobile and Baldwin Counties. Volunteers pick up what they find and record the data which is submitted to The Ocean Conservancy to track what is getting into our oceans. The information is used for education on sources of debris and its effect on the environment. During the past 31 years, more than 77,000 volunteers removed over 1.5 million pounds of marine debris from Alabama's valued coastline and waterways. Join us this year as we continue to make Alabama the Beautiful! Supplies are limited. Come prepared with sunscreen, a hat, gloves, shoes and lots of water. It gets HOT! To become involved with the 32nd Annual Alabama Coastal Cleanup, please visit [www.AlabamaCoastalCleanup.com](http://www.AlabamaCoastalCleanup.com) for a zone nearest you or call (251) 928-9792. The Coastal Cleanup event is held annually on the third Saturday of September.

BE CAREFUL NEAR SAND DUNES AND OTHER FRAGILE ECOSYSTEMS
