

Mayor's Report to the Citizens  
August 21, 2015

As a small town with limited resources it's essential that we work together for the Town's success, so in this report I want to thank all the folks who VOLUNTEER their time to serve the Town. The volunteers won't be listed by name because someone surely would be missed if that attempt was made.

So...Thank you by what you do:

Council Members (5)

Planning Commission (9)

Zoning Board of Adjustment (7)

Seven Committees (5 members each – 35 total)

Elected and Appointed Positions – Total 56 – plus mayor - 57

In addition to regular town business, volunteers help with odd jobs, town hall meetings, mail outs and office work.

There are two paid positions – Town Clerk and Town Attorney – both individuals go beyond what they are paid to do - my thanks goes to them.

To our contractors, who live locally and give us great service, my thanks to you as well.

The Fire Department is made up of volunteers who work tirelessly to serve the community and to protect the citizens (and have for many, many years) so, of course, they deserve appreciation from every person who lives in Perdido Beach or owns property here.

So, to all of you who give your time to help make Perdido Beach a wonderful place to live I sincerely thank you. May the time you give be doubled in the blessings it brings back to you!
