Recommendations from the Planning Commission to the Town Council are listed. These recommendations are specific to locations identified by the Planning Commission and are supported by Objectives and Recommendations found in Transportation Section of the Towns Master Plan.

1. Speed Table on East-West through Roads North and South of State Street to direct Park Traffic down State Street form Escambia Ave. (CR 97)
2. Proper Signage Directing Traffic to State Street Park.
3. Pave State Street.

### **OBJECTIVES**

- Coordinate the Town of Perdido Beach's traffic circulation system with the Future Land Use Plan.
- Improve and create the small town atmosphere by providing improved pedestrian access to neighborhoods, parks and future shopping areas.
- Prioritize improvements which enhance and maximize the efficiency of the existing transportation system.
- Develop policies that will ensure the safe and effective movement of bicycles and pedestrians.
- Develop policies that encourage developments to improve accessibility options for pedestrians, cyclists and motorists while providing interconnectivity of neighborhoods with open space, walking trails and parks.
- Incorporate "Traffic Calming" techniques.

### **Recommendation**

- Evaluate traffic impacts for all future developments.
