WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of Town Council of Perdido Beach to require the recognition and evaluation of flood, mudslide (i.e. mudflow) or flood losses pursuant to §11-19-1 to 24; 11-45-1 to 11; 11-52-1 to 84, et seq., Code of Alabama 1975.

NOW, THEREFORE, BE IT RESOLVED that this Council hereby:

1. Assures the Federal Insurance & Mitigation Administration that it will enact as necessary, and maintain in force those areas having flood, mudslide (i.e. mudflow), or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in CFR 44, Part 60.3 of the National Flood Insurance Program Regulations; and

2. Vests Mayor Patsy W. Parker, or her successor, with the responsibility, authority, and means to:

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain, mudslide, (i.e. mudflow), or flood-related erosion areas;

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map and identify floodplain, mudslide (i.e. mudflow) or flood related erosion areas, and cooperate with neighboring communities with respect to management of adjoining floodplain, mudslide (i.e. mudflow) and/or flood related erosion areas to prevent aggravation of existing hazards;

(d) Submit on the anniversary date of the Town's initial eligibility an annual report to the Administrator on the progress made during the past year within the Town in the development and implementation of floodplain management measures; and

In order that all Flood Hazard Boundary Maps and Flood Insurance Rate Maps accurately represent the Town's boundaries, include within such notification a copy of a map of the Town suitable for reproduction, clearly delineating the new corporate limits or new area for which the Town has assumed or relinquished floodplain management regulatory authority.

3. Appoints the Baldwin County Building Official to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest habitable floor (including basement if habitable) of all new or substantially improved structures, and include whether or not such structures contain a basement; and if the structure has been flood-proofed, the elevation (in relation to mean sea level) to which the structure was flood-proofed.
